Wireless Rechargeable Mouse

- USB RF Receiver
- Compact Size and elegant design
- Auto Power Management
- Plug ‘n’ Play
- Rechargeable during working
- Batteries included

Atlantis Land ESurf Wireless Rechargeable Mouse, with its compact and elegant design, is a product designed for Notebook and PC.
Free away from the cables and begin enjoying the mobility and comfort that the Esurf can provide you. Designed as an all-in-one package, the Esurf features a unique micro storage slot which will protect its Plug ’n Play micro-receiver key from loss and will power down the mouse once inside for extra energy savings.
Furthermore, even if you forget to recharge its batteries, you won’t miss a beat thanks to its USB rechargeable cable, which will allow you to continue working even as you recharge the batteries.
